MYSORE CITY MUNICIPALITY.

ADVERTISEMENT.

Notice is hereby given that sealed tenders will be received at the Municipal Office, Mysore, up to the 30th July 1895, for the supply of materials for road repairs and stone drains, to be done in the Town, (within Municipal limits) during the official year 1895-96.

2. The details of materials required and the approximate quantities required of each are shown in the annexed statement, which quantities however are not guaranteed. The materials should be exactly as described in the specifications in the Municipal Engineer's office, and similar or superior to the samples which are kept in his office.

3. Tenders should be submitted in the form which will be shown in the Municipal Office, accompanied by a schedule showing the rates at which the different kinds of materials will be supplied. They may be submitted for all or any of the materials mentioned below.

4. Each tender must be accompanied by a deposit of Rs. 50 in cash or Government promissory notes, as earnest money, and be superscribed "Tender for the collection of materials for road repairs and drains during 1895-96," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the President of the Municipality, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender, or to accept in any tender the tender for all the materials together or none which one has tendered for.

6. Within eight days of the acceptance of any tenders, the successful competitor or competitors will be required to execute a contract bond (in the form which may be seen in the office) and to deposit the sum of Rs. 200 with the Municipality as a security for the due performance of the contract.

7. The names of the successful competitors whose tenders have been accepted, will be posted on the notice Board in the Municipal Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On the acceptance of any of the tenders the earnest money on rejected tenders will be returned.

1. The accounts of receipts and disbursements for the month of May 1895, were considered.

The accounts were read and passed.

Resolved that the Vice-President be requested to urge the speedy collection of the arrears.

2. The report of the Sub-Committee on the amendment of Sections 3 and 5 of the Municipal Regulation to make clear their meaning was read.

As the report of the Sub-Committee is not complete, resolved that this point be adjourned to the next meeting.

3. The report of the Sub-Committee, on the proposed modification of the Election Rule 5, clause E, so as to declare persons paying a rent of Rs. 100 per year for the buildings engaged by them for holding shops eligible for Municipal Commissionership was read.

Resolved that, as recommended by the Sub-Committee, all persons who pay a rent of Rs. 150 per annum for the buildings rented by them for keeping shops therein be declared eligible to be elected for Municipal Commissionership.

4. Read letter No. 130, dated 8th June 1895, from Mr. R. V. Sundaram Iyer, Municipal Engineer, requesting that his travelling allowance may be increased by at least Rs. 30 per mensem, as the Municipality has been paying only the increased salary, though his status in the P. W. D. was raised in June 1894, from that of an Apprentice Engineer to that of an Assistant Engineer.

Resolved that the present horse allowance of Rs. 30 per month be considered sufficient.

5. Papers relative to the sale by public auction of a strip of land situated by the side of the road to the west of Devaraj Market for Rs. 270 to Khaji Muhammad Khan Saib were read.

Resolved that the sale be confirmed.

6. Government Proceedings No. 21089-90—L. F. 40-92, dated 21st May 1895, para 2, inviting the opinion of the Board on the amendment of Sections 3 and 5 of the Municipal Regulation to make clear their meaning, were read again.

Resolved that this point be considered at the next meeting.

7. Proposal by Dr. Benson, Civil Surgeon, "that the Town of Mysore, is in urgent need of a poor house and Ward for incurables, as at present the Civil Hospital Wards are more or less filled up with people who are destitute and who require food rather than medical attendance" was considered.

Resolved that a poor house for Mysore is a desideratum, but that the Municipal Board is not pecunious enough to bear the whole of the charge.

8. Read the application from Applachar, Municipal P. W. Overseer, stating that as he was promised an annual increment of Rs. 10 up to Rs. 70, with horse allowance of Rs. 15, he accepted the post in October 1892, on Rs. 50 plus 10 horse allowance, but nothing has been done though two years have passed away, and praying that his pay may be raised to Rs. 70 plus Rs. 15 horse allowance.

Resolved that this point be deferred till the disposal of the question of getting an Engineer on less pay is finally settled.

9. Proposal by Messrs. M. L. Narasimmaiengar and M. Venkatakrishnaiya, that although the personal merits of Mr. Sundaram Iyer, Municipal Engineer, are unquestionable, having regard to the pressure on Municipal revenue, and the nature and extent of the Public Works in the Municipality, it is proper to recommend to Government to abolish the Engineer's appointment for the Mysore Municipality, was considered.

Resolved that an officer of Mr. Sundaram Iyer's standing and pay is not necessary for the Municipality and that therefore with the sanction of Government, the Chief Engineer be asked to send an officer of the grade of Sub-Assistant Engineer, whose pay and allowance may not exceed Rs. 100 per month.

Further resolved that the Chief Engineer be asked to spare, if possible, the services of Mr. Lakshman Rao, L. C. E. or of Mr. N. Rama Rao, B. A. and L. C. E.

10. Government Proceedings No. 14885—L. F. 40-92, dated 16th March 1895, calling for report on the petition of Mr. C. Krishnaiengar, about the modification of the Election Rule 5, clause E, so as to declare persons paying a shop rent of Rs. 100 eligible for Municipal Commissionership were read.

Resolved that this question be replied in the terms decided in para III *supra*.

11. Read letter No. 317, dated 13th June 1895, from the Superintendent of the Government Gardens, requesting that the right to lease the grass lands around the Kukarhalli tank, including the bund and a few plots around the bathing ghats, be transferred to the Supervisor of the Garden Park, as the Dewan has verbally authorized the same.

Resolved that the right referred to, be given to the Superintendent as requested.

12. Considered the petition of M. Venkatasubba Setti, lighting contractor of the South Circle for the year 1894-95, praying that as he has sustained a loss of Rs. 600 by the low rate he agreed ot, he may be given the lighting contract of the whole town for 1895-96, at the rate of 12 annas a lamp per month, against Re. 0—10—6 at which rate another has tendered now.

Resolved that as the lighting contract for 1895-96, has already been given away, it is not possible to re-open the subject.
